

## Several Sizes of Small Grab Rails

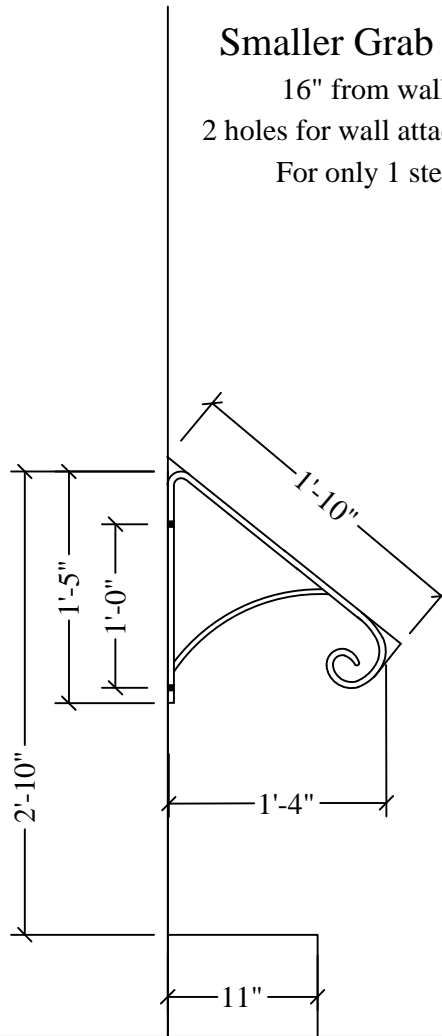

### Smallest Grab Rail

14" from wall  
2 holes for wall attachment  
For only 1 step

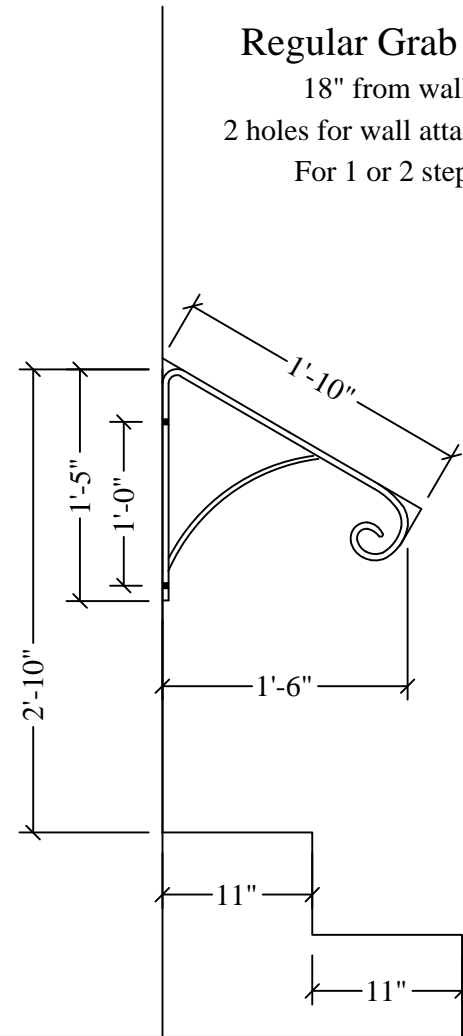

### Smaller Grab Rail

16" from wall  
2 holes for wall attachment  
For only 1 step

### Regular Grab Rail

18" from wall  
2 holes for wall attachment  
For 1 or 2 steps

These are suggestions - you must have sufficient support for mounting these - can't install into drywall alone
